Honorable Henry M. Jackson
United States Senate
Washington, D. C. 20510

Dear Scoop:

In behalf of Dick (who is on a quick trip to Southeast Asia) and the rest of us here I want to tell you how very much we appreciate Richard Perle's participation in our Advanced Intelligence Seminar last week. He and Alton Frye, of Senator Brooke's staff, led a panel discussion on the subject of "National Priorities from a Congressional Perspective."

We have recently been trying in these senior training programs to broaden the perspective of our key people by including subjects that go beyond our immediate responsibilities. The response of our participants has been most enthusiastic, and Richard's outstanding contribution was an unqualified success.

We hope to be calling on him again in the future if you can spare him.

Sincerely,

[Redacted Signature]

John M. Maury
